

Australien – Project – Grain Valley Road - 02/2017

Many thanks to the GUNNEDAH Shire Council, as well as to their great staff, they have made this successful presentation of TERRA-SYSTEM® in Australia

**** GREAT ****

All required and desired machines were on the site, to an optimum result.

Project : Grain Valley Road - Dirt Road - Reconstruction

Length: 750m, width: 10m, depth: 25cm = 7500m² in only 2 days
